 - i. **Facebook**
It appears that your Facebook page no longer exist, if you have a new one can you send me the link. **Facebook page is active; link through website if you cannot get there through your own page.**
 - ii. **Logo**
I can just put the name of the organization for now.
 - iii. **Calendar**
It would be fairly easy to make a simple calendar for your season. If you have some events already scheduled just send them to me.
 - iv. **Contact information**
I only have the names of executives but no phone numbers or email for any of them.
 - v. **Trail reports**
to build a table for the trail reports is easy, but it would still require regular updating.
 - vi. **Pictures**
Do you have more nice pics to incorporate in the slideshow?
 - vii. **Administrators**
*Les Sakals/Dave Poole to report on any progress? **Wes to followup with Les/Dave.***
 - b) Ticket books of ski passes need to be made.
Books are available...sold two already.
 - c) "Motherstone : British Columbia's Volcanic Plateau" presented by Chris Harris. Chris is an outdoors photographer from the 100 Mile House area. **Jean Nelson checked with Chris Harris on holding an event in Clearwater. Jean has followed up on this item and this event is scheduled for January 20. Wes will followup with Jean on progress with posters, tickets, promotion. Event may need a screen?**
 - d) Start Planning Raft Mtn Nordic Relay Race. **Please.....any of the committee members from last year able to take this on? Need to Schedule and find organizers – another idea of having a club event that included a pot luck was floated at the meeting??**

- e) **Wells Gray Outdoors Club has a new mailing address:**
1197 Barber Rd.
Clearwater, B.C.
VOE 1N1
- f) Does our club need an official Mandate or Mission? Idea: To promote year round outdoor activities by using maintained wilderness trails in the Clearwater and Wells Gray area. Opportunities are provided for all ages and skill levels. *Agreed this would be a good initiative. Dana recalls seeing an old mission statement and will see if she can scan and send to Wes.*

5. New Business

- a) **Trail Committee**
 - i. **currently working on a proposal for planning and building Mountain Bike Trails at Candle Creek. Elaine Gillette has indicated that there would be some financial assistance available. *This group met last night (6 people) in attendance and lots of enthusiasm in preparing a plan to move forward with.***
