

Climate Change and Clearwater

Presentations and discussion about climate change in the Clearwater area – past climate trends, possible future climate conditions, changes in local ecosystems and how this might affect community life.

Who? *Stewart Cohen, Climate Change and Adaptation Specialist, Environment Canada and UBC*
Cam Brown, Strategic Planning Forester, Forsite Inc.
Cindy Pearce, Rural Climate Change Adaptation Facilitator, Mountain Labyrinths Inc.

When? 7 – 9 pm Wednesday, April 21, 2010

Where? The 'Pit' at Clearwater Secondary

Sponsored by the District of Clearwater

A Special Invite

If you've spent lots of time on the land - gardeners, hunters, birders, farmers, backcountry skiers, hikers, loggers – please come and share your observations about local climate and ecosystems changes.

For more information about this project - see <http://k2kamloopstsa.com/> or contact: Cindy Pearce at cindypearce@telus.net or 250 837-3966.
